Dear members and friends,

We're pleased to announce an **enlightening session with Dr. Marta Sobas** from Poland, a leading researcher and advocate in the MPN field for young patients. She is a member of a special EHA working group with focus on the young MPN patients.

In this webinar, **"Young MPN: Disease with Many Faces"**, Dr. Sobas will explore the complexities of managing MPNs in younger patients, highlighting recent findings on disease progression, psychosocial impacts, and innovative treatment approaches.

Date: 11 November 2024

Time: 6pm CET

Location: Online (Link provided upon registration)

**"Young MPN:
Disease with
Many Faces"**

**Online
Webinar**

Moderators:
Werner Zinkand

Speaker:
Marta Sobas, Poland

 Monday, 11th November at 6PM CET

 Online / Zoom webinar

This session will feature:

- **Key insights on disease variability** in young patients, drawing on recent research.
- **Patient stories** that provide real-life perspectives on managing MPNs at a young age.
- An **interactive Q&A** where attendees can engage directly with Dr. Sobas.

Register today to gain valuable knowledge and connect with others in the young MPN community!
